Dear [REDACTED]

STATINTL

On behalf of my colleagues on the faculty, I want to thank you for your kindness in taking time from a busy schedule to visit us and brief us on the USSR.

As I am sure you were aware, the members of our group were thoroughly impressed by your frank and authoritative discussion of the subject, and by your readiness to answer our many questions. The session with you has afforded us the background and perspective to pursue with greater confidence our study of the subject.

It was good to have you visit us at Fort McNair once more, and we are most appreciative of your continued interest in our program.

Sincerely yours,

HAROLD J. CLEM
Professor of International
Relations
